

Keen

Keen has many meanings. It can mean sharp or having a fine point, such as a keen knife. It can also mean a sharp or alert person who is very aware of what's going on, such as a keen athlete. Keen can also mean enthusiastic when used in conjunction with "on". For example, Mary is keen on participating in school clubs. Good synonyms for keen are sharp, acute or finely honed. Synonym for keen on is enthusiastic or ardent.
