

Lucky

Adjective
Having, bringing, or resulting from good luck.

GRAPHICS

The man throwing a ball into the tent is a pro baseball pitcher. Just to the right of him is a box with the Australian flag on it, inside are peaches. The character on the right is leprechaun holding a jewel (an amber color) with an A written on it and it has a mullet on it's head. The woman inside the tent is a fortune teller so color her in rich colors, she's kissing an oven mitt. To the right of her is Towlie (refer to the character from the TV show South Park). For the tent refer to the image given in your dropbox.

CREATIVE AUDIO

Everyone's a lucky winner at the pork tent. The man shooting pro video is getting the footage of a lifetime. He's taping a reality show about this fortune teller. And she foresees high ratings in his future if he films her. Just watching her kiss a mit has made a believer out of him. The kiss is fortuitous for this towel man as well. He was out of his league against a pro pitcher, and the kiss pulled him from harm's way. As one of the Australian peaches goes whizzing by, he thanks his lucky stars. And as it so happens, this pitch was right on the money. A mullet amulet is the prize for beating this lucky leprechaun's bottle game. And it's common knowledge that all the best pro pitchers have a mullet.
