Topic Definition
 sparing in the use of words
 CREATIVE AUDIO
 When it comes to people stealing pies from a sister in a sink, what more do you need to know?
 Comp panda can't be saved by turning on the tears.
 Punishing him with this lacrosse stick obviously hurts her more.
 Seeing a pie thief fleeing in a cart simply says enough.
 All taxis turn away.
 Graphics
 Dan I don't think there are any things to point out here in this picture except that the computer panda is the same one that we had used in Abbreviated Communication, that's why we want you to color this one too. So just match this one with the one from Abbreviated and we're good to go!
