

Hardhearted

<p>Topic Defenition</p> <p>Graphics</p> <p>The main character here is the Hard Heart so I was thinking give him a cracked stone texture and color him red. He is coming out of a door but it needs to be memorable so make it look like there is a portal that the heart came out of. On his way through the door, he kicked a tree over and its falling off a cliff. Under the tree is a vulture that is licking some sardines that are dancing. The Veto Pirate at the bottom of the picture is wearing roller skates and his holding a cup of tea with asperagus in it. He just veto stamped an Elephant with a Mullet haircut that is eating a bale of hay that has a gas gauge on it that reads full. On the right are two ants, one driving a truck, and one shooting a mortar at the veto pirate. Have Fun!</p> <p><!--[if gte mso 9]><xml> <o:OfficeDocumentSettings> <o:AllowPNG /> <o:OfficeDocumentSettings> </xml><![endif]--></p> <p><!--[if gte mso 9]><xml> <w:WordDocument> <w:View>Normal</w:View> <w:Zoom>0</w:Zoom> <w:TrackMoves /> <w:TrackFormatting /> <w:PunctuationKerning /> <w:ValidateAgainstSchemas /> <w:SaveIfXMLInvalid>false</w:SaveIfXMLInvalid> <w:IgnoreMixedContent>false</w:IgnoreMixedContent> <w:AlwaysShowPlaceholderText>false</w:AlwaysShowPlaceholderText> <w:DoNotPromoteQF /> <w:LidThemeOther>EN-US</w:LidThemeOther> <w:LidThemeAsian>X-NONE</w:LidThemeAsian> <w:LidThemeComplexScript>X-NONE</w:LidThemeComplexScript> <w:Compatibility> <w:BreakWrappedTables /> <w:SnapToGridInCell /> <w:WrapTextWithPunct /> <w:UseAsianBreakRules /> <w:DontGrowAutofit /> <w:SplitPgBreakAndParaMark /> <w:EnableOpenTypeKerning /> <w:DontFlipMirrorIndents /> <w:OverrideTableStyleHps /> </w:Compatibility> <m:mathPr> <m:mathFont m:val="Cambria Math" /> <m:brkBin m:val="before" /> <m:brkBinSub m:val="-" /> <m:smallFrac m:val="off" /> <m:dispDef /> <m:lMargin m:val="0" /> <m:rMargin m:val="0" /> <m:defJc m:val="centerGroup" /> <m:wrapIndent m:val="1440" /> <m:intLim m:val="subSup" /> <m:naryLim m:val="undOvr" /> </m:mathPr></w:WordDocument> </xml><![endif]--><!--[if gte mso 9]><xml> <w:LatentStyles DefLockedState="false" DefUnhideWhenUsed="true" DefSemiHidden="true" DefQFormat="false" DefPriority="99" LatentStyleCount="267"> <w:LsdException Locked="false" Priority="0" SemiHidden="false" UnhideWhenUsed="false" QFormat="true" Name="Normal" /> <w:LsdException Locked="false" Priority="9" SemiHidden="false" UnhideWhenUsed="false" QFormat="true" Name="heading 1" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 2" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 3" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 4" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 5" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 6" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 7" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 8" /> <w:LsdException Locked="false" Priority="9" QFormat="true" Name="heading 9" /> <w:LsdException Locked="false" Priority="39" Name="toc 1" /> <w:LsdException Locked="false" Priority="39" Name="toc 2" /> <w:LsdException Locked="false" Priority="39" Name="toc 3" /> <w:LsdException Locked="false" Priority="39" Name="toc 4" /> <w:LsdException Locked="false" Priority="39" Name="toc 5" /> <w:LsdException Locked="false" Priority="39" Name="toc 6" /> <w:LsdException Locked="false" Priority="39" Name="toc 7" /> <w:LsdException Locked="false" Priority="39" Name="toc 8" /> <w:LsdException Locked="false" Priority="39" Name="toc 9" /> <w:LsdException Locked="false" Priority="35" QFormat="true" Name="caption" /> <w:LsdException Locked="false" Priority="10" SemiHidden="false" UnhideWhenUsed="false" QFormat="true" Name="Title" /> <w:LsdException Locked="false" Priority="1" Name="Default Paragraph Font" /> <w:LsdException Locked="false" Priority="11" SemiHidden="false" UnhideWhenUsed="false" QFormat="true" Name="Subtitle" /> <w:LsdException Locked="false" Priority="22" SemiHidden="false" UnhideWhenUsed="false" QFormat="true" Name="Strong" /> <w:LsdException Locked="false" Priority="20" SemiHidden="false" UnhideWhenUsed="false" QFormat="true" Name="Emphasis" /> <w:LsdException Locked="false" Priority="59" SemiHidden="false" UnhideWhenUsed="false" Name="Table Grid" /> <w:LsdException Locked="false" UnhideWhenUsed="false" Name="Placeholder Text" /> </w:LsdException

Scathing; the skates; adjective; Witheringly scornful; severely critical
Truculent; trucker-ant; adjective; eager or quick to argue or fight
Mordant; mortar-ant; adjective; of humor having or showing a sharp or critical quality
CREATIVE AUDIO
 This **hard heart** has turned cold after watching the cruel acts of everyone around him. Kicking open his grim looking **door**, he followed through and **fell** a tree with his foot. This **vulture** would **lick** his prey for the last time, while being grimly mocked by the very **sardines** he tormented. The **mullet elephant** was sitting down for a meal as well. He was going to enjoy his hay **bale full** with a cup of **asparagus tea**. But that plan was vetoed by the **veto pirate**, who came **skating** by and snatched the cup. Though much like his victory, the pirate would be short lived. He was flattened like a pancake when an explosion sent this **trucker ant** swerving off the road. The **mortar ant** was following orders, and didn't dare to disobey commands from such a hard heart.

Dour

Door

(dou-er) Adjective Relentlessly severe, stern, or gloomy in manner or appearance

Fell

Tree Falling

(fel) Verb 1. Cut down a tree Noun 2. An amount of timber cut 3. A hill or stretch of high moorland, esp. in northern England Adjective 4. Of terrible evil or ferocity; deadly
