

## Offensive or Disgusting

### Topic Definition

A devil is filing his nails sitting on a disgusting O-fence. He's got an N-video on his lap. Rat-barbie is trying to get her N-video back from him and desperately reaching for it. She's stepping on feet-toad's back to get closer. Feet-toad is sticking his foot out towards two characters offensively grabbing at rat-barbie. Green O-odors are coming off his foot, causing puke kid to puke and nose-gnome to be repulsed.

### Graphics

The main topic is the O Fence so make that O stand out on the fence but make sure everything else are contrasting colors so that they stand out. Notice the frog and the gnome? They were the same as the picture you did in Nasty, so they should look identical. The Odious Old Dice is flashing the Rebarbative Rib Barbie and she is puking barbeque sauce so make it redish brown.
