

## Wicked or Corrupt

### Topic Definition

### Graphics

So here the Wicked Witch and Carrot are the main topics so they need most of the attention. They are reviewing an evidence picture of someone who paved over the deer, so color the deer like he was ran over on asphalt. Was it the Reprobate Reaper Bat? Make his reaper axe stand out. Libertine lady Liberty in a Tin? The Turnip Toad should be like Turnip body purplish white and the toad should have green legs and arms. The Sordid Sword Kid needs to have a large body, and **needs** to be dirty looking because thats what sordid means. And don't forget about the Iniquity Ink Kitty! The characters all lined up against the wall are in a police station lined up as suspects so draw height lines behind them.
